

Quite simply a menu designed to support the very best of homegrown produce. The food is assembled in an uncomplicated way that relies on its freshness to shine through as the real hero. We are committed to bringing to the plate all that is great from the best of Irish produce, at a time when it is so important to support and value the effort and commitment of our Irish producers and farmers. These people are an inspiration to us; through their passion they are continuously evolving with a determination to be proud of what we do on this rapidly developing food island. - *Dylan McGrath*
