

Quite simply a menu designed to support the very best of homegrown produce. The food is assembled in an uncomplicated way that relies on its freshness to shine through as the real hero. We are committed to bringing to the plate all that is great from the best of Irish produce, at a time when it is so important to support and value the effort and commitment of our Irish producers and farmers. These people are an inspiration to us; through their passion they are continuously evolving with a determination to be proud of what we do on this rapidly developing food island. - *Dylan McGrath*

BRAISED

The classic stew is something we Irish have done for generations throughout our history. It more than likely started as a technique to deliver substantial and filling meals with cheaper cuts of meat for large families. We like to think this hearty choice should bring you real comfort.
